SERVICE MENU

Hair Services

Full Service Haircut...This is how a haircut was meant to be. Includes scalp massaging shampoo, conditioning treatment, hot towel, haircut, post haircut rinse and style.

Express Haircut...Perfect for those in a rush. Includes only haircut.

Clipper-only Cut...For guys who require clipper work with one setting only.

Clean up...Perfect between haircuts. Trims sideburns, behind the ears, and neck.

Head Shave...For those who want to completely shave the full head. Barber will use a straight razor to assure a close shave.

Skin and Face Services

Straight Razor Shave...This is 45 minutes of absolute relaxation. Come in unshaven, lay back in our barber chair, and indulge in the lost art of the old fashioned straight edge shave.

Full Service Facial...This hour of deep cleansing relaxation incorporates a facial, neck, and shoulder massage with a treatment that steams, extracts, exfoliates, and cleanses your skin. Includes option for glycolic peel. Service is also available for the back.

Express Facial...This half hour facial incorporates cleansing, exfoliation, warm steam, and a mask to finish.

Eyebrow Shaping...This service shapes up the brows, an often overlooked aspect of men's grooming.

Mustache or Beard Trim...Trims the full beard or just the mustache.

Mustache or Beard Coloring...A consultation followed by a natural looking blend with the color of your choice. Does not damage the mustache or beard and leaves it looking healthy.

Body Hair Trimming...This service is perfect for those who would like to groom their body hair without waxing or shaving. Body hair is trimmed to desired length. Service is available for full body.

Body Waxing...Preparation and finishing treatments make the removal of any unwanted hair simple and painless. Service is available for full body.

Treatments

Manicure...treatment includes hand massage, exfoliation and paraffin dip. **Pedicure...**treatment includes deep foot massage, paraffin dip and buff.

Massage...Firm Swedish style with compression, neuro-muscular and range-of-motion techniques to reduce soreness. Excellent when preparing for sports activities or after a strenuous workout.

Essential Back Treatment...the hard-to-reach area of your back is addressed during this deep cleansing masque and massage. Shoulders, neck and back are purified and refined. Allowing us to pay attention to the one area of the body that is unreachable makes this treatment ideal for everyone. (40 minutes)

Hand and Foot Services

All hand and foot services are offered in a semi-private atmosphere by licensed technicians; using stainless steel bowls, hot stones and the finest in lotions, soaks and oils; all while assuring the utmost in cleanliness and hygiene.

GentEssential Hand Detail

A grooming consultant will prepare the hands by nail shaping, cuticle removal, exfoliation, a polish-free fingernail buff, and soothing hand massage. Includes a paraffin wax dip.

GentEssential Foot Detail

This treatment begins with a relaxing soak, followed by nail shaping, cuticle removal, polish-free buffing, sole and heel grooming, exfoliation, and a soothing foot massage using fine oils and lotions. Includes a paraffin wax dip.
